## **INDEPENDENT AUDITOR'S REPORT**

**To**  
**The Members of**  
**NCC INTERNATIONAL CONVENTION CENTRE LIMITED**

### **Report on the Financial Statements**

We have audited the accompanying financial statements of **NCC International Convention Centre Limited** ("the Company"), which comprise the Balance Sheet as at 31<sup>st</sup> March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flow for the year then ended and a summary of the significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the financial statements in accordance with the Standards specified under Section 143(10) of the Act. Those Standards require that we comply with

requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

### **Report on Other Legal and Regulatory Requirements**

**ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF NCC INTERNATIONAL CONVENTION CENTRE LIMITED**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **NCC International Convention Centre Limited** ("the Company") as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the Internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

**NCC International Convention Centre Limited**  
**Notes forming part of the financial statements**

**1. Corporate Information**

NCC International Convention Centre (the Company) was incorporated for Development of Andhra Pradesh International Centre at New Delhi, on Public-Private-Partnership mode. The project was awarded by Government of Andhra Pradesh / Infrastructure Corporation of Andhra Pradesh (INCAP) to Consortium of M/s NCC Limited and NCC Infrastructure Holdings Limited vide Letter of Award dated 06.10.2008.

**2. Significant Accounting Policies**

**2.1 Statement of compliance:**

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as applicable.

**2.2 Basis of preparation and presentation**

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, that have some similarities to fair value but are not fair value, such as value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

**NCC International Convention Centre Limited**  
**Notes forming part of the financial statements**

**2.3 Use of Estimates**

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

**2.4 Financial instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

**2.4.1 Financial assets**

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets

**Classification of financial assets:**

**Financial assets at fair value through profit or loss (FVTPL):**

Investments in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'Other income' line item. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the

**Derecognition of financial assets :**

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds

**2.4.2 Financial liabilities and equity instruments**

**Classification as debt or equity**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

**Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a company entity are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

**Financial liabilities**

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

**Derecognition of financial liabilities**

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled

or have expired.

**NCC International Convention Centre Limited**  
**Notes forming part of the financial statements**

**2.5 Provisions, contingent liabilities and contingent assets**

Provisions are recognised only when there is a present obligation as a result of past events and when a reasonable estimate of the amount of obligation can be made. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities are disclosed for (i) possible obligation which will be confirmed only by future events not wholly within the control of the Company or (ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

**2.6 Cash Flow Statement**

Cash Flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated based on the available information.

**2.7 Earnings per Share**

The earnings considered in ascertaining the company's Earnings per share (EPS) comprise the net profit / (loss) after tax. The number of shares used in computing Basic EPS is the weighted average number of shares outstanding during the period/year. The number of shares used in computing Diluted EPS comprises of weighted average shares considered for deriving Basic EPS and weighted average number of equity shares which could have been issued on the conversion of diluted potential equity shares where applicable. Dilutive potential equity shares are deemed to have been converted as of the beginning of the year, and unless they have been issued at a later date.

**Note No. 11**

The Consortium of M/s. NCC Limited and NCC Infrastructure Holdings Ltd, was awarded the Project for Development of Andhra Pradesh International Centre at New Delhi, on Public – Private – Partnership mode, by Government of Andhra Pradesh / Infrastructure Corporation of Andhra Pradesh (INCAP) vide Letter of Award dated 06.10.2008.

In pursuance of the Letter of Award, the Consortium submitted Bank Guarantee for Rs.5.00 Crores towards bid security. The Consortium also remitted an amount of Rs.5.00 Crores towards Project Development Fee and requested for remittance of balance of Project Development Fee of Rs.25.00 Crores at the time of execution of the Development Agreement and for submission of Performance Security at the time of achieving Financial Closure. In response, vide letter dated 30.10.2008, INCAP agreed for payment of Project Development Fee by the Consortium within 30 days and submission of Performance Security at the time of execution of the Development Agreement.

As the development of the said project entailed an estimated investment of Rs.1064 Crores, to avail financial assistance from Bank(s), the Consortium addressed several letters to INCAP requesting them to provide documents relating to title deeds. But, the title documents relating to the project land were not furnished by INCAP.

Subsequently, Govt. of A.P vide G.O. Ms.No.8 dated 20.02.2009 cancelled the Letter of Award (LOA) dated 06.10.2008, alleging certain defaults on the part of the Consortium. As the alleged grounds of cancellation are baseless, the Consortium challenged the said cancellation of the Project and filed Writ Petition (WP No: 3589 / 2009) before the High Court of Andhra Pradesh. During the pendency of the Writ Petition, the Govt. of Andhra Pradesh / INCAP were directed to maintain status-quo with regard to the Bank Guarantee submitted against Bid Security.

The Hon'ble Single Judge vide his Orders dated 26.06.2009 dismissed W.P.No.3589/2009. Challenging the said orders, the Consortium filed Writ Appeal (W A MP 1771 of 2009 in WA No.891/2009). As stay of operation of the orders of the Single Judge was not granted, INCAP encashed the Bank Guarantee for Rs.5.00 Crores, provided towards Bid Security.

As per the Request for Proposal, Project Development Fee has to be remitted by the Developer (Consortium) and in view of the cancellation of LOA by the Government of Andhra Pradesh, the consortium cannot be deemed to be Developer. Accordingly, the consortium filed a Writ Appeal (W A M P No 1805 / 2009 in WA no: 81 of 2009) seeking an order for refund of Project Development Fee of Rs.5.00 Crores paid to INCAP.

The appeal and the petitions are to be listed for final hearing. Based on the Legal Counsel's opinion, that the company has fair chances of success in the Writ Appeal, the management is confident of recovering the Project Development Fee of Rs. 5 Crore paid to INCAP.

In addition to the above appeal the company has filed a Civil Suit against M/s Infrastructure Corporation of Andhra Pradesh (INCAP) before the City Civil Court, Hyderabad for recovery of Rs. 13.50 crores, which includes interest @12% per annum, calculated up to the date of filing the suit.

Pending the outcome of the Writ Appeal and the civil suit the accounts have been drawn up on a going concern basis and the amount of Rs. 5 Crores paid towards Project Development Fee to INCAP has been shown as receivable from INCAP and grouped under Other Current Assets (Note 4)
