INDEPENDENT AUDITOR'S REPORT

To Members of VAIDEHI AVENUES LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **VAIDEHI AVENUES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the standalone financial statements that give a true and fair view in

Branches

Mysore : 74, 2nd Main, First Stage, Vijayanagar, Mysore - 570 017. Ph.: 0821-2517971

Chennai : Flat 2-A, Second Floor, Shruthi 3/7, 8th Cross Street, Shastrinagar, Adayar, Chennai - 600 020. Ph.: 044- 2490 3137 / 4551 1564

order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- A. As required by the Companies (Auditor's Report) Order, 2016, ('the Order'), issued by the Central Government of India in terms of Sub-section 11 of Section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the said order.
- B. As required by Section 143 (3) of the Act, we report that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.
 - e) On the basis of the written representations received from the directors as on March 31, 2018, taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has no pending litigations as on the balance sheet date.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF VAIDEHI AVENUES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Vaidehi Avenues Limited** ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

Notes to the Financial statements for the year ended 31st March 2018

1. Corporate Information

Vaidehi Avenues Limited ("the Company") has been incorporated on April 01, 2011, as a Wholly Owned Subsidiary of NCC Limited with the basic objective of acquiring the land and developing and maintaining the Stock Yard and for setting up of a Training Centre at Dhobipeta Village, Shankarpally Mandal, RR Dist in the State of Telangana.

2. Significant accounting policies:

2.1 Statement of Compliance:

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended. These are the Company's first financial statements prepared in accordance with Ind AS and Ind AS 101 *First time adoption of Indian Accounting Standards* has been applied.

2.2 Basis for preparation of financial statements:

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India on accrual basis under the historical cost convention, except for certain financial instruments which are measured at fair value. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

2.3 Use of Estimates:

The preparation of financial statements requires the management of the Company to make estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses during the reported period. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the financial statements.

2.4 Other income:

Lease Rental income : Rental income from operating leases is generally recognised over the term of the relevant lease.

2.5 Property, Plant & Equipment:

Property, Plant & Equipment are stated at actual cost less accumulated depreciation and net of impairment. The actual cost capitalised includes material cost, freight, installation cost, duties and taxes, eligible borrowing costs and other incidental expenses incurred during the construction / installation stage.

2.6 Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS16's requirement for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognised.

Depreciation / amortization of Property, Plant & Equipment / Investment Property:

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation / amortisation on Property, Plant & Equipment including assets taken on lease, other than freehold land is charged based on straight line method on an estimated useful life as assessed based on technical advice, considering the nature of the asset, estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

The estimated useful lives and residual values of the tangible assets are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

2.7 Impairment of Assets:

i) Financial assets

Company assesses at each balance sheet date whether there is objective evidence that a financial asset or a group of financial assets is impaired. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

Impairment loss on financial assets carried at amortised cost is measured at the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate. In a subsequent period, if the amount of impairment loss decreases and the decreases can be related objectively to an event, the previously recognised impairment is reversed through profit or loss.

ii) **Non-financial assets**

Property, Plant & Equipment

Property, Plant and Equipment with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the profit or loss.

2.8 **Hyderabad , May 08, 2018**

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

i) **Non-derivative financial instruments**

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value

Financial asset not measured at amortised cost is carried at fair value through profit or loss (FVTPL) on initial recognition, unless the company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income.

The Company, on initial application of IND AS 109 *Financial Instruments*, has made an irrevocable election to present in other comprehensive income subsequent changes in fair value of equity instruments not held for trading.

Financial asset at FVTPL are measured at fair values at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss.

Financial liabilities

Financial liabilities at fair value through profit and loss are stated at fair value, with any gains or losses arising on remeasurement recognised in profit and loss.

For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

2.9 **Fair value measurement**

The Company measures certain financial instruments at fair value at each reporting date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a. In the principal market for the asset or liability, or
- b. In the absence of principal market, in the most advantageous market for the asset or liability.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

2.10 **Earnings per Share:**

Basic earnings/ (loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the Balance Sheet date but before the date the financial statements are approved by the Board of Directors.

3 **Provision, Contingent Liabilities and Contingent Assets:**

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estimate can be made. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities and Contingent Assets are not recognized in the financial statements.
